

# Groups

This application lets you keep track of all application groups.

## List of groups

In the list of groups you will find the most important pillars of registration:

- **Ref.:** Numeric code that identifies the group.
- **Name:** Group name.
- **Description:** Group Description.

## Listing Options

On each record. You can perform a series of actions that are represented by the following icons:

-    Check / Edit / Delete Record.

## Filter Options

For more information about the filter options listed in the [ayuda general](#).

## Groups form

This is the application of groups, it may add, modify and view all data of the groups classified in different tabs: main data, application permissions, data on the registry modifications and assignments to folders.

### Data Tab Group

In this tab you can view and modify the main details of the group. Here we relate all information fields.

The screenshot shows the 'Alta de un nuevo grupo' (New Group Registration) form in the SaltOS v3.5 r8483 application. The interface is in Spanish. The top navigation bar includes links for Inicio (Home), Correo (Mail), Agenda, RSS, Perfil (Profile), Soporte (Support), Acerca (About), and Cerrar (Close). The left sidebar contains a menu with categories: General, Carpetas (Folders), Comercial, Proyectos, Contabilidad, Administración, Tipos, and Sistema. The 'Datos del grupo' (Group Data) tab is selected, showing two main fields: '(\*) Nombre' (Name) and 'Descripción' (Description). The 'Descripción' field is a large text area. At the bottom right of the form, there are three buttons: 'Crear' (Create), 'Crear y volver aquí' (Create and return here), and 'Cancelar' (Cancel). The 'Ayuda' (Help) button is also visible in the top right corner of the form area.

- **User (\*):** Group name.
- **Description:** Description group.

(\*) Required when creating or modifying a group fields.

### Application permissions tab

In this tab you can apply the permissions to the group.
